

POLICY – ATTENDANCE

AIM

Jervois Primary School's aim is to achieve quality education outcomes for all students. The Jervois Primary School Attendance Policy is based on the principle that students between the age of 6 and 16 years are required by law to attend school on a regular basis.

RATIONALE

Regular attendance supports continued learning and encourages responsibility, social skills, friendships and equality of opportunity. If children do not regularly attend school, they cannot gain maximum benefit from schooling.

We promote regular attendance through:

- Ongoing student engagement programs and activities
- Provision of a positive and supportive learning environment
- Positive parent communication

The DECD website lists reasons when it's acceptable for your child to be absent. These include:

- sickness
- infectious or contagious diseases or illness
- dentist or doctor appointments which are unable to be made out of school time
- events of cultural significance—these could include births, deaths and related ceremonies
- other events approved by the school governing council
- any other unavoidable and sufficient cause

If you have difficulty with your child refusing to attend school, you should immediately contact us to seek help.

RESPONSIBILITIES

PARENTS

- Parents/Caregivers are required to inform the school as soon as possible of student absences. This can be via phone call, note or through the School Stream App.
- If a student is absent due to sickness for 3 or more days, DECD policy requires a Doctor's certificate be provided to the school
- An 'Application for Exemption' form must be completed for family leave of more than three days or permanent exemptions
