

POLICY – UNIFORM

RATIONALE

Jervois Primary School Council passed the following motion: *“The Council endorses the implementation of a uniform policy offering a specific range of colour coded items”*.

We believe that a school dress code:

- Contributes to whole school unity and pride
- Enables students to be part of an inclusive environment
- Should be affordable and accessible to all
- Should be comfortable to assist learning physical activity
- Ensures the safety of our students by complying with the Cancer Council requirements (see Sunsafe Policy), and by being clearly visible

ACCEPTABLE ITEMS

Items of clothing which are acceptable:

- Black pants, shorts, skirts or skorts, without patterns and/or bold logos
- Black or predominately red and black material pinafore dresses
- Red t-shirts and/or polo shirts without bold logos and/or other colours
- Black or red jumpers without bold logos and/or other colours
- Black school style shoes, sneakers or sandals, as physical activity occurs every day
- The Year 7 T-Shirt and/or Jumper (designed for the Year 7 group at the beginning of each school year. All year 7 students have the option of purchasing these items from the school)

POINTS TO CONSIDER

- Large writing, logos, motifs or pictures are not acceptable
- Students are issued with a Red Legionnaire hat and iron-on logo on enrolment as part of a purchased enrolment pack
- Iron-on school logos are available to purchase from the school
- Students will be expected to wear school colours for all learning activities including those outside the school
- **Clothing should be clearly labelled, thus reducing the amount of lost property**
- Continual noncompliance will be followed up

Red Legionnaire or broad brimmed hats (without cords) are to be worn during peak UV times in accordance with the Sun Smart Policy (Terms 1, 3 and 4)
