

POLICY – MOBILE PHONE

Purpose

This policy provides direction to students, staff and families about managing **mobile phones and other digital devices** students choose to bring to school. *Digital devices include, but are not limited to, smartwatches, tablets or laptops which are not part of a separate 'Bring Your Own Device' arrangement.* This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so parents can contact them **outside** of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

Devices brought to school will be handed in to Front Office staff and kept securely in an Office drawer, with devices labelled with student's names. Devices will be handed back to students at the end of the school day or when they are collected from school by a parent/carer if earlier.

If the student does not comply

If the student does not voluntarily comply or refuses to comply:

- the student will be asked to take their phone to the office where it will be securely stored until the end of the day.
- The phone must be collected from school by the parent/carer.

Roles and responsibilities

Consider requests for exemptions from the policy from parents on a case-by-case basis. Make sure approved exemptions are documented & relevant staff are informed about students' exemptions. Students

Comply with the requirements of the school's policy and follow all reasonable directions from the Principal and school staff.

If permitted to use a mobile phone or personal device in line with an exemption under this policy, do so in a safe, responsible and respectful way and support peers to do the same.

Communicate respectfully with others and do not use a mobile phone or other personal device to bully, harass or threaten another person.

Respect others' rights to privacy and do not take photos, film or audio records of other people without their knowledge or permission.

Parents

Support the implementation of the school's policy, including the consequences for non-compliance with the policy.

Use the school's formal communication channels in all instances to communicate with the school (including where a student requires early collection from school). Encourage their child to always report to a school staff member in the first instance if they become unwell or experience an issue at school.

Recognise the important role they play in supporting their child to use their mobile phone (or other personal device) in a safe, responsible and respectful way.

Communication and review

This policy has been developed in consultation with students and the broader school community to make local decisions regarding storage of student devices and what actions will be taken if students do not comply with the policy, and how consultation will occur when it is time to review these local decisions and ensure community members are aware of the policy requirements.

This policy can be accessed on the Jervois Primary School website.

This policy will be reviewed bi-annually.
