

## PRINCIPAL'S PIECE (Elissa's edition)

Hi Families,

Week four and we're almost at the middle of term! Hopefully the weather begins to warm, and outdoor activities will be more appealing. Thank you to everyone who attended a very cold and windy Sports Day. It was great to see families braving the weather and supporting their children in some friendly competition.

Last Friday was a Portfolio meeting in Waikerie. The agenda for most sites was around sourcing relief teachers to cover unplanned absences. This continues to be a challenge for us at times, and I am proud of our teaching staff and particularly their willingness to be flexible with very little notice. It is not easy, and I am very proud of how the school community has worked together.

Some small changes to our bell times families need to be aware of. We will now use a bell before each play time to signal to teachers that children can start their eating time. Due to feedback from families it is apparent that some children are not finishing the food in their lunch boxes. Hopefully the bell will serve as a reminder for children to eat before play!

Families of the year 1/2 class may have noticed Serenity Gazzola's absence. Please be advised that at this stage, Serenity will be back at Jervois at the beginning of Week 9 (Monday 19<sup>th</sup> of September). Thank you for your patience. The children have showed resilience and perseverance in this uncertain time, and they should be very proud of themselves.

If families have grievances which are school related it is important to follow Department for Education guidelines. This means the first point of contact is your child's teacher. Teachers will make time to meet with you (either in person or phone), and then discuss possible courses of action as well as an expected time frame for resolution. This also includes a time for follow up. If the grievance has not been resolved, then it is escalated to the Principal for action.

Enjoy your weekend,

Elissa

## Parent Survey

Don't forget to complete the 2022 annual parent survey, which is now open. In the week beginning Monday 1st Aug, you should have received an email or SMS from the Parent Survey Team with a unique link to participate in the survey. If you did not receive an email or SMS with your unique survey link, contact [education.ParentSurvey@sa.gov.au](mailto:education.ParentSurvey@sa.gov.au) and include our school's name in your email. The survey takes less than 10 minutes and will help us understand: • what we're doing well • where we can improve • what's important to you. It has been coordinated centrally so that added administration workload isn't placed on the school. Your answers will not identify you or your child. Only collated feedback will be provided to our school. Information collected will inform school improvement planning and activities at the school. The survey closes 5pm, Sunday 28th August 2022.

## TOLMER wins again!

It was great to have lots of parents, grandparents and family members join us for our Sports Day. It was very chilly; luckily it didn't rain much to intervene, but despite the cold, the kids all enjoyed the day and put in a super effort with their events and team games. We all gathered in the library for presentations, where it was much warmer! See all the photos inside...

## Tennis Coaching

Ann (Mrs Cracknell) has organised tennis coaching lessons for all students over the coming weeks. Hayley Davids will be taking these sessions again – she's lots of fun and coaches for our local Jervois Tennis Club too. Please remember to return the permission forms and \$5 per child to allow them to participate.

## Book Week

We have lots planned for our Book Week celebration day:

A **BOOK SWAP**

and a

**BOOK WEEK PARADE**

.....as well as watching a special **BOOK WEEK PERFORMANCE!**

That's a busy BOOK WEEK day!!

## Student Learning – History

We continue our Term 3 history learning – all to tie in with our end of term 100 years school celebration. Its amazing we are able to link our learning with some of our existing students and their families; making it relevent and very interesting!

Did you know.....Mia and Ruby are both 4<sup>th</sup> generation of their family to attend JPS as students. That's pretty amazing! Both of their mums attended school, their nanna did too, and so did their great-grandpa! Another 4 generation family is the Hicks' – Sophie & Fraser were Year 7 students last year: their cousins Isabella and Ben also attended JPS. Both of their Dad's (Tim and Shawn) were students here, (Kel, who was an SSO last year, is Tim & Shawn's sister – she came to JPS as a student as well!), as did their Pop – Denis.....and Denis' mum, Sylvia who was a student in the 1920s; that's almost 100 years ago when she started school at Jervois. So the Hicks family has been involved with JPS for many, many, many years! That's pretty amazing! Denis will be coming in to chat with the 5/6 class next week – they have LOTS of questions to bombard him with!!

## 2023 NEW ENROLMENTS or STUDENTS LEAVING

It's the time of year when we start our planning for 2023, including knowing how many we expect to enroll next year, or those families who may be leaving JPS.

If you know of any potential new students, or if you are leaving our school; please contact Michelle or Jo in the Front Office with further information. Student numbers are the basis of funding for our school, therefore a lot of our planning for next year hinges around having an idea of expected enrolments to accommodate for staffing, learning and budget requirements.

## SCHOOL FEES REMINDER

Hi families

Final notices for those who haven't paid outstanding amounts will be sent home with debt collection information mid-term. Thank you to families who have already paid or organised a payment plan.

**Please see Jo if you have any queries, or email: [jo.flett511@schools.sa.edu.au](mailto:jo.flett511@schools.sa.edu.au)**

## GOVERNING COUNCIL CORNER

We continue to snapshot our GC members; in this edition we introduce JO, a face you will all know, but maybe you will learn something new about her.....

Jo has been a Governing Council member for 5 years, and holds the position of Secretary.

Jo has 2 children currently at school, and an older daughter who has already moved onto High School!

Jo has been a staff member officially for 22 years – such a very long time. She held a trainee position when she was in her late teens for a couple of years.

Here is why Jo decided to join Governing Council:

*'GC is a great space to learn about our school. Even though I work here, I always take away some new information from meetings, such as SIP directions and what's*

*happening in classrooms from the teacher and SC reports. It is also a way I can support school as a parent since I don't have the opportunity to help in the canteen or attend P&F meetings.*

*I love my little school and have really strong ties with it and the community. My mum Lyn worked here for 27 years starting in 1985, which means my family has been involved with JPS for 37 years! I have seen many changes over this time; from playground equipment and buildings, to staff members and of course lots and lots of students. And yes, I have been here long enough to know past students who are now parents of current students! I have also made long lasting friendships here through my involvement both as an employee and a parent. My JPS journey is a pretty awesome and unique experience, and I consider myself lucky.'* We think we are pretty lucky to have you too Jo!!

## GARDEN GOINGS-ON

What an exciting time for gardening today, we actually got to pick some of our own-grown carrots, which is great! For the past 2 years the carrots have been pulled out before they were ready (we had some very eager students!), but this time they have remained underground to mature, so we had enough to make four batches of Carrot cake. Everyone in the whole school was able to try some, if they wished.

We also picked some snow peas if a taste of cake was not to the students liking.

We bagged up the Orange slices we put on the drier yesterday, so that we have them ready to sell for the 100<sup>th</sup> celebration. We have also made some lemon cordial

from lemons donated by Stephanie (thanks!). This will be available to buy from our school produce stall at the 100<sup>th</sup> birthday.

We had 5mm of Rain yesterday – which is great for our plants!

- \* Veronica, Cody and Riley helped bag the dried orange slices
- \* Chase, Paige & Chloe were some of our carrot-pickers, checking the carrots were ready!
- \* Henny & Penny have been steadily laying eggs every day, so we used some for the cake.
- \* Ryder & Eli did some peeling, while Mack and Miyah were cutting and mixing.

The carrot cake was **DELICIOUS!**
