

PRINCIPAL'S PIECE (Elissa's edition)

Hi Everyone,

Term three is slowly coming to a close culminating with the 100th birthday which is very exciting. The children have been very busy learning about the history of Jervois, and have been interviewing some local residents about what school life was like in the past.

Student council have found our flag! SC members are responsible for folding it and putting it up in the morning, and then bringing it down in the afternoon. I am very proud of these students' leadership and their reliability. This is what good leadership is about.

PAT testing has been mostly completed across the school, and I have yet to see all the results, however this data will be part of our next student free day where we will identify 'where to next?' NAPLAN results are also in, and we have made a ten percent improvement, which I am very excited about. NAPLAN scores will be sent home with your child this week. If you have any questions about NAPLAN bands and achievement please talk to your classroom teacher in the first instance.

Enjoy the break on Thursday and stay dry!

PUBLIC HOLIDAY THURSDAY 22ND SEPT There will be NO SCHOOL on Thursday due to the announcement of a special Public Holiday: a day to pay homage to HRH Queen Elizabeth II – may she rest in peace ♥♥

TAILEM TOWN EXCURSION

It's almost here: our BIG day at OLD TAILEM TOWN – we hope you have your olden day costume all organised ready to wear – just something really simple and easy which you might have at home.

Check out the ideas on the flyer (on the left).

The costumes can be worn again on the last day of term (Friday Sept 30th) for our Old Style School Day, when our school is open for visitors to come and share our school birthday with us!

We hope you are planning to join us on either or both of our celebration days (Fri 30/9 and Sat 1/10): they are building up with lots of interest generated through our Centenary facebook page. There has been heaps of photos shared and lots of conversation back and forth about old memories, some funny stories and most importantly: rekindled friendships.

CONCERT FORMAT RESPONSE

Please complete the form on the back page of this newsletter – it's important feedback which will determine how we organise and present our 2022 JPS Concert. Don't miss the opportunity to give your family's opinion!

ASSEMBLY DATE CHANGE

Due to all the celebrations planned for next week, we are moving our assembly forward to **THIS Friday 23rd September at 2:30pm**. It will be run by the 5/6 class and you are welcome to come along! Malcolm will be here to present Term 3 Terrific Kids awards!

BOOK WEEK

A busy BookWeek day saw lots of student dress up in character – there were some super creative and innovative costumes – well done! Lots of students took advantage of the opportunity to BookSwap, to find something new to read – this was a great initiative and something which could be a continuous option! The BookWeek performance was really cool. It was audience interactive and kept everyone entertained!

Here's a few snaps from our BookWeek day.....

How cool are these costumes.....lots of effort for some kids and parents (probably mostly parents)!! They look really amazing!

SAPSASA SPORT

CRICKET and TENNIS are the next sports on the SAPSASA calendar – Congrats to Trinity and Hamish who have been selected in the Murraylands Cricket Team. We have a few students who are trying out for the tennis team as well – good luck for your trials. Both of these sports' competitions are played in Adelaide in Term 4.

ATHLETICS CHAMPIONSHIPS

Hamish and Georgie represented the Murraylands in the Athletics State Championship on Monday: Hamish in the 1500m, 800, 100m, and relay (that's a LOT of running in one day!!), and Georgie in the girls relay team - we are super proud of both your efforts: Hamish WON the 1500m, 800m & relay, and came 4th in his 100m sprint; and Georgie WON her relay! Just sensational results, and the Murraylands team came 2nd overall!! Wow, wow, wow!!! Hamish now has the opportunity to travel to Brisbane to represent S.A. That's awesome!

STUDENT LEARNING – HISTORY

All students have created a piece of artwork which has been framed and is now offered for sale, firstly to families, and then to our visitors who come for our Centenary Celebrations. This is one of our fundraising ventures to support the school and gives everyone the opportunity to have their own child's framed work of art to be installed pride of place in your home! Please return your order form and money by the due date; all unsold art will be available for anyone to purchase on Friday 30th Sept and Saturday 1st October.

The timelines in classrooms continue to fill with important dates represented in our JPS history journey. Most classes have had their special guest visit, so students have been able to learn first hand even more about members and families in our local community & their links to JPS.

A Few Fast Facts from our history Friends:

1. Denis Hicks is part of a 4 generation family of students to attend Jervois Primary School. He remembers our big pepper tree being there even when he attended school (although it was much smaller then!).
2. Maria Brion has 3 generations of her family who have been JPS students. Lui & Maria Brion still live in the house where Lui grew up as a young boy. Their children and grandchildren came to JPS.
3. Our own Michelle from the office attended JPS as a student and shared memories from school days with the 1/2 class. They couldn't believe there were no phones, computers or ipads in her time at primary school!

YEL

It was all about turtles and frogs and water habitats at the Term 3 YEL forum held at Sturt Reserve in Murray Bridge. Jake, Taylor, Maddy & Lucy had a great day with Samantha, learning all about the importance of the local habitat and waterways for the survival and breeding of these creatures. There was hand-on activities and the best part was handling the turtles!

GOVERNING COUNCIL CORNER

We continue to snapshot our GC members; in this edition we introduce DANIELLE, one of our second term Counsellors, who is also our Treasurer.....

Hi I'm Danielle and I have two children attending Jervois: Hamish in year 6 & Elise in year 3. I also attended JPS as a student for year 6 and 7.

This is my second year as Treasurer for Governing Council. I really enjoy being on GC as a way to give back to the school community. I also find it really interesting to see how the school runs and operates.

A fun fact about me is: I really enjoy long distance running and I'm currently training for my 3rd half marathon.

Thanks Danielle, WOW – we hope you do well in your next half marathon – that's a really, really long distance to run!

WELLBEING WORDS with MRS CRACKNELL

Hi all,

Our term has progressed quickly with lots more to look forward to before the end of week 10.

Our new Student Council members for term 3 have been busy and keen to support our school events. They took on the responsibility of running our annual JPS Book Week Parade, with each member happy to be part of the commentary throughout the parade. Congratulations to parents/family members & teachers for putting in a great creative effort with costumes. This has been one of our most impressive turnout of characters.

The Book Swap that followed the parade was a new event this year where all children had the opportunity to select a book to take home with them. A nice way to share the wonderful world of books. Thank to your kind donations, the children had a large number of books to choose from.

The school has the excitement of visiting Tailem Town this week and another chance to dress up and enjoy the moments of going back in time.

May the weather be kind to JPS so students can enjoy the busy end of term and the multiple fun memories that it will bring for our community.

PIC.CO

Our newest addition to the school (and no, we're not talking about Jo!), will finally have her bubble wrap removed and she will be covered in patches of black and white photos depicting our school history and will be on display for our 100th birthday events.

SHE NOW NEEDS A NAME.....all students will have the opportunity to suggest some appropriate names: 3 names from each class will be chosen, then a majority vote will determine our centenary cow's name!

With now less than 2 weeks to go before our BIG centenary events, things are getting super busy at school. We have displays getting organised, the hall is being decorated, people are busy baking and making.....its all GO!

Please remember we are still looking for donations of savoury finger food for our event over at the Sports Club on Saturday 1/10 from 4pm.

If this is something you can help with, please contact
Victoria Gazzola (0439 722 508)

We hope you can join us on Friday and/or Saturday to help us celebrate this historic occasion – and if things look busy on these days, please offer your help!

Dear parents/Carers

Jervois Primary School has been holding its annual end of year concert in the Murray Bridge Town Hall for several years. Quite some time ago the school outgrew the local Jervois Hall and needed a bigger space to accommodate our size. Historically we have had a night performance after a full day rehearsal for the students. We provide this excursion to students at no cost to families (bar a small ticket cost and purchase of the DVD if you wish). Utilising the Town Hall gives us scope to create backdrops, use sound and lighting to effect and to show student images and film on the stage screen.

We value the experience student's gain performing in a proper theatre and on the 'big stage'. It supports each of our values:

Leading and learning – staff to student, student to student

Being Happy, safe and belonging – the whole school experience

Stop and think – learning, respecting and following the rules of the theatre

The learning pit – being brave and having a go

Last year, due to COVID density requirements, we were unable to have parents in the audience and held our 'concert' during the day and produced a film for families to view.

This format had many benefits for our students we hadn't previously experienced:

- Students were less tired as the experience was (almost) the same time as a regular school day
- Students were not restricted to the small rooms at the base of the hall during the day AND for the night performance
- Students were able to experience being an audience member and watching their peers and siblings on stage
- Staff had more scope to enjoy the day with their classes

We know and understand that most families appreciate the opportunity to be part of the live experience as well.

Considering this, we are looking at two options moving forward for this year's celebration.

1. **THEATRE PERFORMANCE EXPERIENCE:** We hold the concert at the Murray Bridge Town Hall, continuing the experience of the theatre for our students. We have a morning rehearsal and hold an afternoon performance for parents (eg 3pm) to attend (much like sports day is during the day), and produce a DVD and/or USB for purchase as a keepsake and reminder of the day.
2. **SCHOOL-BASED EXPERIENCE:** We hold a scaled back, evening time event at school, with a picnic tea for families and each class will do a small performance. This will not be recorded (reduced sound/lighting quality to reproduce), therefore no USB/DVD option. This could be held approx. 6:30 – 8:30.

Please discuss these options with your children and respond by returning the slip below with your preference by Wednesday 28th September. We can then take this into account with our decision moving forward.

With thanks

Elissa Hunter
