

## Hi families,

I hope all of our children and families managed to have some down time these holidays. Firstly, I wanted to comment on Sports Day this year. Some of you may have noticed that we moved it from term two to term one. I think the weather was definitely on our side, and I was so pleased to see such a large turnout of families supporting their children. I also wanted to take this opportunity to thank all the parent volunteers, especially those who jumped in to help on the spur of the moment. We are always grateful for the support. Wheelathon was another successful event. Also a day that the children and staff really look forward to. We have raised over \$750.00 which, considering our small size, is very impressive. NAPLAN is over for another year, and our interim results are very promising. Our year five cohort are well above the average national benchmark compared to 'like' schools, and the year three cohort performed strongly in numeracy. This is a testament to Jervois' competent and capable teaching staff.

Take Care,  
Elissa

## EDSMART

We are moving towards the new department process of using electronic forms rather than paper copies. Permission forms, where possible, will now be emailed to families and can be completed electronically and returned. It's a super easy process for families and we're excited to get on board with it.

Forms we're starting this process with are the Media Consent Form, 3-6 Camp form and the Grug Excursion forms. If you have any questions, please check in with Michelle and Jo.

## SCHOOL FEES

Please keep the payments for school fees coming in. It's really easy to create a payment plan to accommodate your family situation. Thank you to those who have paid or have started the process.

It's worth checking to see if you should apply for School Card – it's easy, it can be done online and it will cover your whole 2024 School M&S charges! It's worth jumping online to see if you're eligible: <https://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme>

## CANTEEN

Please remember to get those Friday Fresh Order forms in on THURSDAY mornings, We them by the order form otherwise your child WILL MISS OUT. We simply CANNOT accommodate for late orders anymore, and doing an EFT transfer DOES NOT replace the order form.

## TERRIFIC KIDS

Congratulations to **Flossie, Scarlett, Frankie and Logan** who were acknowledged for their positive contributions during term 1 by receiving the Kiwani's Terrific Kids Award. Well done!

## SAPSASA NEWS

### SWIMMING WEEK 11 TERM 1

Congratulations to Richard Warner for his participation in the recent SAPSASA Swimming Carnival at the SA Aquatic & Leisure Centre in Week 11. Richard competed in both the freestyle and backstroke swimming events in individual and relay races. Nice work Richard!

### SOFTBALL WEEK 9 TERM 1

Congratulations to Year 5/6 students Shase and Scarlett for their participation in the recent SAPSASA Softball Carnival in Week 9. Both Shase and Scarlett represented the Murraylands district at the West Beach Barrett Reserve across a three day carnival. Despite never playing before, both students developed their skills and built friendships with other students from the district. Well done legends!

### MORE TO COME..

Keep an eye out for more upcoming SAPSASA events through SeeSaw and students take home packs!

## AFL MAX CAMP

Our Year 3-6 Camp at AFL Max is booked in for Monday and Tuesday, WEEK 1 TERM 3. Exciting!

Activities conducted throughout the camp are based upon developing understanding of healthy lifestyle choices, wellbeing, nutrition and the importance of being physically active. The camp will combine physical and theoretical based learning, across the entire venue from rock climbing, trampolines, inflatables, interactive gaming screens and more.

Permission forms with all the information needed will be emailed but we can tell you we've be able to reduce the cost of this camp to \$115 (gst components included for meals) per child. This has been significantly subsidized through school funds in an effort to make this experience accessible for all. Please contact Jo if you would like to initiate a payment plan.

Students who do not attend the camp will have alternate learning options with the available teaching staff at Jervois Primary School.

## RAA VISIT

Flossie

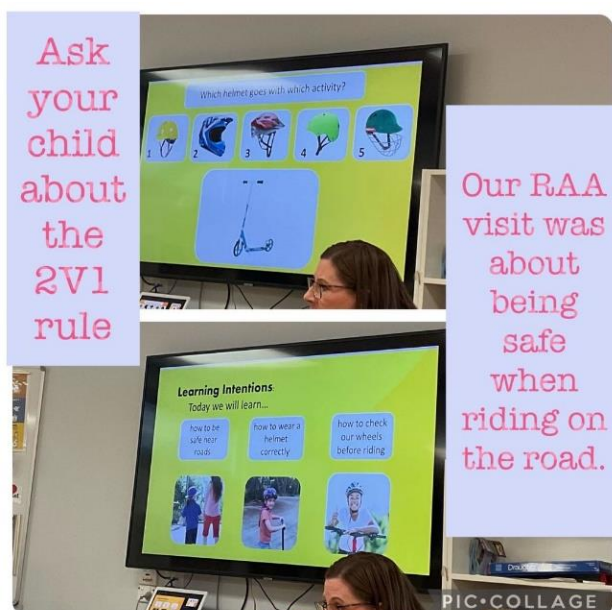

We looked and listened and think.

She had a pretend road and then she did 3 of us at a time; so we look, listen and think before we cross the road. She said that we have to wear really light things so the cars can see us they know that we're going. She gave a traffic light to hang on our bags.

She also picked people to be driving the bus and be the actors.

Levi

If we close our eyes on the road someone might run over you and hurt your leg and we would have to go to hospital, and that would not be good so we have to look and listen and think.

Harry S

We had to test our reflexes and we were partnered up with someone. I was with Logan and he dropped a ruler through my hand and I had to quickly close my hand to catch the ruler and measure my reflexes.

We need to pay attention on the road because if you're on the phone one day you could get hit by a car.

Dylan

We had to sit and listen and learn about how far to stand back from the road when the bus pulls in. You need to stand 2 meters away. You can't be distracted when you're on or near the road. We watched safety videos.

## WHEEL-A-THON

Mack

There was lots of cow poo and we had to ride through it. I went to the second stop and back. It was good to just chill and ride around.

Koah

Wheel-a-thon was good because lots of people brought their bikes and even if they were little kids they rode really far. We had an assembly and lots of the parents were there watching and the whole library was full.

Eli

It was really fun because of how far we had to go. And some people did the challenge of walking to the station. I walked to station 2.

Olivia M

I noticed that a whole lot of people were riding bikes that their parents must have tuned up to make safe so they did a good job. I know my Dad did. I felt good at the end of the day and I liked that everybody kept trying.

Levi

We did some running and also we had some lunch and some recess and some fruit.

Pheobe

We ran and we hopped some of the way. And the teacher helped me hop.

Dylan

In Wheel-A-Thon we started at the school, went down the big hill and turned left and rode for a long while. I stopped at the first station with a few people and we had some water and got our breath back and continued riding. Xavier and I rode most of the way back together. When I got back I wasn't tired but my legs were sore.

Miss Kennedy

It was great. It was nice to see all the families joining us and the determination of the students to ride as far as they could.

Frankie

I loved that I got to ride with my friends. And I loved that we all stayed together and we didn't go apart from each other. I also loved that all the parents were there and we got to eat sausage rolls after.

## SPORTS DAY

Mack

Tolmer won. Murray came second. I did hurdles, long jump and high jump. My favourite was high jump. We did an egg and spoon race and the water bucket relay. I thought it was cool when Hunter ran with the adults.

Koah

I noticed that all the teams were working together and helping each other. I noticed that the staff were dressing up too in their colours for sports day. Lots of parents were there watching their kids.

Eli

My favourite part of sports day was hurdles when everyone had to run as fast as they can and jump over them.

Olivia M

I realized that all the teams were trying their best no matter what. I liked the teacher race because it was a little bit funny. I struggled on high jump but kept trying and I was challenged by the hurdles.

Levi

On sports day we put a 1 and a 2 and a 3 here and if we get a 4 we get lots of points. Tolmer got lots of points.

Harry S

At the start of Sports Day we sorted out our kids into their tents and then we got ready for races. Tolmer were down by a bit at the start but we came back by a bit in the team games. It was stressful because some kids kept running away instead of cheering their team. But we eventually got it together and went on to show good sportsmanship and we won.
